SOME Terms & Conditions to NOTE: Please review this order confirmation for accuracy and contact the Swarovski Optik NA customer service department immediately at (800) 426-3089, prompt #1, to make any corrections. All orders and back orders must be cancelled prior to shipping in order to avoid a restocking fee. Restocking charge of 10% of the value of the return will be enforced, an additional restock fee may apply if product is returned unauthorized or in less-than-new condition. Regarding Program Orders; In order to maintain the highest level of service and efficiently process a large number of orders scheduled for one specific day, Swarovski Optik may ship program orders with future delivery dates on or up to three business days prior to the requested delivery date. The purchase order must be clearly marked if this is unacceptable. Contact your customer service representative for more information.
